2-bedroom condo suitable for busy professionals

Located in one of the most sought-after localities in Regina, it is a well-maintained condo, kept hygienically clean and up to date. Never smoked in and never been used for pets. It consists of an open concept space for living, dining, and kitchen. A double bedroom and a single room which can be used as an office or as a study room if not used as a bedroom. Both rooms are all well-lit and have big wide windows. It is constructed in 2012 and has been painted recently so does not have any maintenance problems. Just live in and enjoy the coziness and comfort of space.

The condo is located next to bus stops and close to sit in and walk away restaurants, Walmart, and gym. As known for green spaces the location offers best walking tracks besides Harbor landing creek.

General hospital and Pasqua hospital are both at a short ride of 12 and 9 minutes, respectively.

The condo can be offered for 1375 a month or furnished all-inclusive bills for 1525. For more details contact Fareed at 3068075637 or drop an email on najam5578@hotmail.com.
