

A leave of absence is an approved interruption of training for any reason, and includes: Maternity/Adoption/Parental leave, Sick/Medical leave, Personal leave, Educational leave, and others at the discretion of the Program Director. To request a leave of absence, or an extension of a previously approved leave from residency training, please prepare proper documentation and submit this form to:

- the Residency Program Director for approval; and
- the PGME Office for final review and processing (for leaves longer than five days).

Whenever possible, request should be submitted with **proper advance notice** to avoid interruption or issues with compensation and benefits (e.g. 4 weeks prior to the planned start of maternity leave).

Department:		PAD Category:	Personal

I hereby authorize University of Saskatchewan to debit my bank account on the first business day of the month for the duration of my unpaid leave of absence as per the terms outlined below and pursuant to the account information contained on file with the Payroll department or on the attached void cheque. I understand that these payments will serve to extend existing benefits as per my employment contract for the duration of my unpaid leave.

Notwithstanding this authorization, I understand that the following terms apply:

- 1) I waive my right to receive pre-notification of commencement of the debits to my accounts as long as they are in compliance with the information I have indicated above.
- 2) I waive my right to receive pre-notification of changes to the PAD amount in the event that there is a reduction in the PAD amount. The University of Saskatchewan will provide 10 days written notice to your USASK email if there is an increase to the amount of the PAD. This may include general communications to the campus when annual rate changes occur.
- 3) I understand that I am responsible for the cost of the benefits I selected to continue for the duration of my leave. The decisions made to continue or discontinue my pension and other benefits are final and cannot be changed, including if I extend my leave or take a new leave without returning to work first.
- 4) I may cancel my authorization at any time, subject to providing 10 days notice in writing to connectionpoint@usask.ca. To obtain a sample cancellation form, or more information on my right to cancel a PAD Agreement, I may contact my financial institution or visit www.payments.ca. I must provide an alternate form of payment with my cancellation. I understand that not providing an alternative may impact my benefits and any outstanding amounts will be deducted from my paycheque upon my return to work.
- 5) I have certain recourse rights if any debit does not comply with this agreement. For example, I have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD Agreement. To obtain more information on my recourse rights, I may contact my financial institution or visit payments.ca.

Monthly payments can be taken from the payroll bank account on file. If you would like the funds to come from a different account, you must attach a VOID cheque.
