

Corey Ziegler, PGY1, Family Medicine

Hello! My name is Corey Ziegler and I am excited to start my first year Family Medicine residency in Moose Jaw! I was born just down the road in Outlook, Saskatchewan and grew up as a farm kid until leaving for university. My path into medicine was a bit non-traditional as I was a high school science teacher for 13 years, mostly in Regina, before making the switch to health care. I have 2 amazing daughters, ages 15 and 13, and an incredible wife who is a public health nurse at Four Directions Health Centre in Regina. I love all things sports, am a huge Edmonton Oilers and Green Bay Packers fan, and devote a lot of my summer to gardening, particularly hot peppers. I count it a privilege to have the opportunity to serve with you as a resident physician and look forward to connecting with you all!

Here are some of the reasons Corey was chosen as Resident of the Month (As quoted from the nomination letter):

"Corey is the most kind and caring co-resident in our program. He will go out of his way to ask you how your day has been, and will go above and beyond to make your day a bit better. He genuinely cares about the wellbeing of not only his patients, but his co-residents, preceptors, and every medical team member he meets."

"He has made quite a few suggestions of improving our Academic Half Day including changing the way we do Resident Topic Presentations. This has been very successful He is very interested in his co-Residents welfare and checks frequently on them. He has spearheaded a Wellness initiative to design a Moose Jaw Site Logo and order "Swag" with that logo on it."

"Corey is showing all of us what the future of medicine is going to be. One where we take care of each other and lift each other up."
